## JANUARY 2006 NEWSLETTER

Welcome to 2006! I hope everyone had a great holiday season. The varsity level wrestlers have participated in several tournaments with great success and I am sure the Novice kids are looking forward to the Millard West Tourney on January 8, 2006.

### NATIONAL TOURNAMENT OF CHAMPIONS

You know it is time to really get moving on the planning and organization of the NTC when we have received our first registration from **IDAHO!!!!** This truly is a National tournament and funds our program throughout the year. It is mandatory that everyone helps at the NTC. If you are not available to help the weekend of the NTC, let me know because there is plenty that can be done in preparation for the NTC.

Signup forms are now available for the NTC and are located at the head table in the red folder. We need to start the work on several of the committees so please sign up soon. It is best to sign up early for where you want to work or be assigned later!

In addition, we will have sign up sheets in February for candy donations that will be sold at the concession stand during the NTC

We have the following ten committees for the tournament and still need a chairperson for the table workers committee. Thanks to those who have volunteered to chair a committee. As an incentive, *committee chairpersons will have their wrestler's registration fee waived the year after they chair a committee.* Contact Mike Sackett if you are interested in chairing the table workers committee.

### *CONTAGIOUS DISEASE*

Thanks to those that are helping with the mats. It is nice to have 2-3 parents help as soon as varsity practice ends. It takes about 10 minutes and is usually completed by the time your child changes his shoes, gets his coat on and is ready to go. Not much of a sacrifice for the health of our children. Hopefully we can get a few more parents to help so we spread the work around.

# KWAA SCREAMING EAGLES WRESTLING CLUB

Team pictures will be on Thursday January 26 during practice. Forms will be provided and must be completed and submitted on January 26. Wear your singlets and shoes!! Even if you do not want individual pictures taken we need to take a team picture.

## TEAM BANQUET

Volunteers are needed to plan the team banquet at the end of the season. Contact the club president or vice president if you would like to help. We have typically held the banquet in the Skutt High School commons. Contact Mike Sackett if you are interested.
